Our Foundation

Tower Grove Christian Academy was the vision of Tower Grove Baptist Church and pastor, Dr. Larry Lewis. The academy began its first classes September 1978 for kindergarten through sixth grade. A grade was added each year and the first senior class graduation was held May 1985.

Located in the historic and beautiful Shaw neighborhood in the City of St. Louis, TGCA is bordered by Tower Grove Park and Missouri Botanical Gardens. We are approximately ten minutes from either downtown St. Louis or Clayton via Highway 40 or 44.

Our academy, preschool through 12th grade, serves families from the City of St. Louis, surrounding counties, as well as the Metro East. TGCA provides a challenging and comprehensive preschool, elementary, middle, and high school program.

Our Mission

Our mission is to provide a complete education which promotes academic excellence and a biblical worldview. It is the goal of TGCA to equip students with the intellect and character they need to impact their world.

Our Philosophy

All truth is God's truth. The basis for the educational philosophy of TGCA is the Bible, which is authoritative and inerrant. Therefore, the school curriculum and extra-curricular activities reflect biblical principle and values (Romans 11:36). Tower Grove Christian Academy endeavors to be used by the Holy Spirit to help each student develop a biblical worldview and reach his/her God-given potential.

This can only become a reality in an individual who has chosen faith in Christ as Savior and Lord (John 16:13).
